Postal/Banking details are outlined above. Please put your name as the reference on your deposit slip. If subscriptions are paid directly into the Club Account, would you please mail copies of both the Membership Form and Deposit Slip to the Club. We will only be able to update our records once these have been received.

Subscriptions are due by the end of June each year (the end of our Financial Year) – renewal notices will be sent out with the March newsletter. Please assist us in keeping the club running smoothly by paying your subscriptions by the due date. If renewal subscriptions are not received by the end of June, we will assume that you no longer wish to subscribe to the Pug Club and no further Newsletters will be posted.

Three Newsletters per year are sent out to paid-up Members – in March, August and December. We do our best to include fun and informative articles and welcome ANY letters, stories, photographs, etc., relating to Members and their Pugs to be included in the Newsletters. Advertisements can be placed in the Newsletters – please check your latest Newsletter for prices.

The Pug Club of Gauteng holds one show each year – on the third Saturday in September. Shows are open to ALL Pugs – pet and show Pugs are all welcome – there is a class for everyone. Information relating to the Shows will be in the Newsletters.

Any queries, please contact Sarah van der Molen (Treasurer) at the above contact numbers.
